If we get high entry numbers in some grades, there will be qualifying races up first on Tuesday morning to determine A and B Grades. The grade split of how many is in each grade will be determined after the qualifying race.

RACE PACKS/ CONFIRMATION OF STARTERS

Race packs (venue accreditation, race numbers and safety pins) will be issued in bulk to one school representative only. They will be required to sign their school packs out and it is their responsibility to distribute the race numbers and other items to their riders. Please do not request individual rider pickups. Race Pack Collection info is in the Event Schedule on page 3.

VIRTUAL TEAM MANAGERS MEETING

An online Managers Meeting PowerPoint will be available online [here](#). This is compulsory for all Team Managers to read. A sign-in sheet will be in place at Confirmation of Starters / Race Pack Pick Up for each Team Manager to sign and agree they have read this presentation.

RACE NUMBERS

All riders are issued with two race numbers. Riders shall wear two body numbers for all events (including team events). Numbers must be placed on either side of the lower back of the top on a 90-degree angle as shown below.

Correct Number Placement

COMPOSITE TEAMS

A composite team is where a school has insufficient riders to enter a full team in a team event and includes riders from other schools to make up the number required. Composite teams are accepted, however are not eligible for medals or points, but will instead receive a certificate and will still be recognised on the podium with the full school teams.

For full details on composite teams please read the Schools Cycling Rules – Section 11, Appendix 3 - [here](#).

All riders wishing to be considered for a composite team must already be entered into the event via their school for an individual event. Schools may pre-arrange their own composite team with other eligible schools/riders OR submit their riders into the Pool through the forms below:

- Click [here](#) to register your interest to be considered for a composite team sprint team
- Click [here](#) to register your interest to be considered for a composite team pursuit team

*Being accepted into a composite team is subject to other riders also being available and fees do apply

For all pre-arranged composite team entries, one school needs to enter the team in Enter Now, making sure to name all schools involved and state the team name is "COMPOSITE"

The final opportunity to enter a composite team is at the Race Pack Pick up/Confirmation of Starters and there will be a sheet on the whiteboard in the infield on Tuesday for any final expressions of interest to be considered for a team. Invoices will be sent to schools/riders post event.

TEAM EVENTS

For full details on Team events, please read the Schools Cycling Rules, 4.9 – 4.14 – [here](#).

A rider may only ride in one age group and in one team per team event. In accordance with Rules 2.15, 4.9, 4.10, and 4.11, schools can submit a written application to the organisers to allow a rider to be part of a second team if the school has no alternative riders in that age group.

TEAM SPRINT

To bring rules in line with the Cycling New Zealand R&T Regulations, Year 7&8 and Junior (U16) boys' and girls' teams will race over 500m (2 riders), and Senior (U20) boys' and girls' teams will race over 750m (3 riders)

TEAM PURSUIT

Teams may start with 3 or 4 riders, with times recorded on the 3rd rider's wheel.

SCHOOL AFFILIATION AND ENTRY FEES

All School Affiliation fees, and Event Entry fees must be paid before riders are permitted to start the event. Please ensure you check with your school to ensure affiliation and payment has been made.

VENUE ACCESS

The velodrome infield will be open for set up through the main entrance from **3.00pm on Monday, and 7am Tuesday and Wednesday**. Team officials and riders will be issued access wristbands at the Managers meeting. Access to the infield will be controlled and access will only be permitted for people with access wristbands only. Please ensure your wristband is clearly visible when you are entering the venue. All other supporters must watch from the stands.

The Grassroots Trust Velodrome limits infield access for health, safety, and development. The two main reasons why they limit infield access during certain sessions:

- Health & Safety; additional people in the infield can create congestion, potentially impacting coaches' ability to supervise and ensure a safe environment. Infield access must also be monitored in case of emergency situations, hence all visitors entering the infield must sign in at reception.
- Junior Development: for our junior programmes specifically, limited infield access allows young athletes to develop self-managing and problem-solving skills. This translates to independence, confidence and better decision making on the track, ultimately making them well rounded athletes.

ACCREDITATION

All individuals requiring accreditation for this event, please fill out the form [here](#).

Each school is permitted the following for accreditation;

1 x team manager, 1 x coach, 1 x mechanic, then an additional 1 x handler for every 5 riders.

HANDLERS

Schools may appoint a maximum of 1 handler per 5 riders to assist with holding and management of the team. Handlers will be issued with an access wristband to get into the infield.

TRACK ACCESS

To help with the flow of the event, please ensure riders enter the track from the back straight except for Keirin riders and 515m Scratch riders who must draw positions and enter from the front straight.

TRACK START GATES

Standing 250m and team events will use the track start gates. If a rider is not confident to start from the track start gate the option to start from a held start may be requested, however we strongly encourage all riders to practice starting from the track start gates.

SPECTATORS

All sessions are free for spectators to come and watch from up in the stands.

WARM UP SESSIONS

There will be a warmup session on Tuesday and Wednesday (times in the programme). Approximately 10 mins prior to the scheduled session start time, a Commissaire will blow a whistle for the riders to exit the track. Please adhere to the instructions of the Commissaires at all times. Please use the back straight for entry onto the track during the warmup, which will be controlled by a Commissaire.

INFIELD GYM

Please note that the infield gym will be closed to all riders during event times.

PARKING

Parking is available in the venue car park, in the paddock behind the Velodrome access to both Gate 2 and in the parks along Hanlin Rd. Please do not block any gates or driveways. Parking at Gate 1 is for staff and tenants only. The venue accepts no liability for any damage to any vehicles parked in or otherwise using the car parking area.

SCHOOL PIT AREAS

Schools will have a designated pit area in the infield. The pit includes chairs. Schools will need to supply their own tables. Bike Racks are available to be shared by all schools.

- Please ensure the walkways are kept free of equipment to always allow un-impeded access.
- There is to be no riding of bikes in the pit area.
- No glass on the infield.

POINTS SYSTEM

Individual events will be run as 'Omnium style'. Riders will be awarded Omnium points for placings in each individual event. Medals will be awarded to the top 3 overall in each age group for the North Island Competition (North Islanders only) and the National Competition (everyone).

In the case where two or more riders are equal at the conclusion of the event, the winner will be determined on the highest placing in the final race.

Any rider failing to attempt to start in one of the events shall not be allowed to take part in the subsequent events but shall be considered to have abandoned the competition. He/she shall therefore figure last in the final classification with the provision "DNF" (did not finish). Any points already accumulated are not re-allocated.

Any rider not finishing any race due to a valid mishap, not being able to return to the track during the final kilometer (where relevant) or being withdrawn by a commissaire will be allocated the next available ranking (and points) and the number of riders remaining on the track at this moment.

AWARDS PRESENTATIONS

Medal presentations for overall individual placings in the North Island Competition (North Islanders only) and the National Competition (everyone) will take place on Tuesday afternoon at the conclusion of racing.

Medal presentations for the team events (team pursuit and team sprint) and the Top School Trophies will take place on Wednesday afternoon at the conclusion of racing.

HOME SCHOOL ELIGIBILITY AT PRIZE GIVING

Home schooled students may participate in individual and Team cycling events but will not be eligible for medals as per SSNZ regulations. Home school riders that place in the top 3 will be recognised on the podium alongside their peers and presented with a certificate in place of a medal. The medal placing goes to the next fastest eligible rider ie: If a home school rider places 1st, then the first non-home school rider would stand on the podium with them and receive the gold medal alongside them, the same applies if they place 2nd or 3rd.

SCHOOLS PASSION AWARD

CNZ Schools want to celebrate and recognise those riders off the podium that turn up and try their best and have a good attitude. So, we have created an award that the riders can strive to win by displaying good sportsmanship in our Schools Cycling events called the Passion Award. We hope this will encourage good behaviour and participation and become a goal for any rider who takes part.

Thank you to our 2023 Schools Focus Group for bringing this idea to life and to Haraway's Oats for sponsoring the awesome prize pack for our winners!
