Example - Code of Conduct for Parents/Carers and Other Supporters

Iagree to abide by the below Code of Conduct:

- Inform the coach of any specific health requirements or medical conditions of your child in advance of the coaching session verbally or by completion of a Parental Consent form.
- If your child has to leave early or is being collected by someone other than a parent/carer, the parent/carer must advise the coach of the details of the arrangement including who will be collecting your child and when.
- Encourage your child to learn the rules and play within them.
- Discourage unfair play and arguing with officials.
- Help your child to recognise good performance, not just results.
- Set a good example by recognising fair play and applauding the good performances of all.
- Never punish or belittle a child for losing or making mistakes.
- Publicly accept officials' judgments and teach children to do likewise.
- Support your child's involvement and help them to enjoy their cycling.
- Use correct and proper language at all times.
- Remember that children participate in sport for their enjoyment, not yours.
- Support all efforts to remove verbal and physical abuse from sporting activities.

- Respect the rights, dignity and worth of every young person regardless of their gender, ability, cultural background or religion.

- Show appreciation and respect for coaches, officials and administrators. Without them, your child could not participate.

- Do not undermine the child's coach/instructor/ride leader. They are professionals who will have a plan and a reason for delivering coaching appropriately.

- Make yourself familiar and understand the current guidelines on age appropriate training & development. Asking children to perform outside of these guidelines can fall outside of the legal aspects of Child Safety legislation.
